EVENING TIME
SANTA ROSA, NEW MEXICO

With the coming of the railroad in 1901, Santa Rosa evolved from a sleepy farming and ranching community to a bustling small city of 3,000 population. Ideally situated on I-40 (U.S. 66), U.S. 54 and 84, this crossroads tourist mecca offers many advantages to the visitor: 18 motels with 600 Units, 12 restaurants, 43 service stations and garages, churches of most all denominations, a hospital, shopping center, cocktail lounges, an airport, radio station, newspaper and T-V translator. The many recreational facilities, mild climate, scenic vistas and historic points of interest are guaranteed to make your stay a pleasant one.
